Thank you! And, yes, SPB provided me with a Pueblo writeup.

Hi Lois,

Here are a few adjustments. I believe Mike provided a write up on Pueblo.

Thanks

Larry

All- Here are a number of topics that I think would be good to include in the OLEM weekly; you'll note that I have starting points for several of them (which were prepared for other purposes), but they need to be revised to provide a bit more context (see attached report from last

week to get an idea about writing style/tone). I don't need revisions to the Scrap Processing Company write up. Also, the suggestions below are not exhaustive—if other topics come to mind, esp. those involving events expected to occur in the coming weeks, please submit them. **Submissions are due to me at noon tomorrow (Weds., 6/8):**

**Bonita Peak:**

**Portland Harbor**: proposed plan rollout

**Scrap Processing Company Superfund Site (Medford, WI):**
